

REMARKS

In response to the Notice of Non-Compliant Amendment (mailed October 18, 2010), the Applicants submit a complete listing of all claims with the second mention of claim 12 deleted and the first mention of claim 12 amended to include the features formerly recited in the second mention of claim 12. The first and second mentions of claim 12 were part of the application as originally filed. For at least this reason, the Applicants respectfully submit that the current amendment to claim 12 does not add new matter. In view of the amendment to claim 12, the present status identifiers indicate that claim 12 is "Withdrawn-currently amended."

Claims 1-11 and 13-20 are reproduced above as filed on October 12, 2010. For example, claim 1 was amended and identified as "currently amended" in the reply filed on October 12, 2010. Claim 1, in amended form, is reproduced above, again with the status identifier "currently amended" and again indicating the amendments to the claim. Please consider the remarks set forth in the response filed on October 12, 2010.

Please apply any other charges or credits to deposit account 06-1050, referencing Attorney Docket No. 12406-0225US1.

Respectfully submitted,
